

Candidate declaration

I confirm that, in line with the intercollegiate regulations in the document 'Suspected Candidate Misconduct for MRCS and DO-HNS', any notes I take during the remote delivery of the MRCS Part A / DO-HNS Part 1 / DO-HNS Part 2 as a result of an approved reasonable adjustment arrangement will be destroyed immediately after the exam. I confirm that the notes will not be copied or passed on to any other person, or persons, be that physically, through uploading or submission to the internet or by sharing through social media.

I understand that failing to adhere to this declaration may lead to disqualification from the exam and my results being withheld, potentially being debarred from future entry to the exam as outlined in the 'Suspected Candidate Misconduct for MRCS and DO-HNS' regulations, and potentially being reported to the relevant authority, such as the GMC or IMC.
