

MRCS OSCE Station Checklist

Date:

Centre:

Station number and scenario code and title

This checklist has been provided to help examiners to ensure that all necessary props and equipment are available before the start of the examination.

Please read through the scenario carefully and check that all equipment necessary to run this station is present. – the 'Props and equipment list' on page 2 of the scenario should help you in this.

Please complete the following checklist by ticking the boxes.

OK **N/A**

- | | | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | All equipment listed in the scenario is in the station. |
| <input type="checkbox"/> | <input type="checkbox"/> | All printed images are of appropriate size and quality, and the problem areas/identification of bones etc. are clearly visible. |
| <input type="checkbox"/> | <input type="checkbox"/> | Body parts on the images correspond to the listed parts on the scenario. |
| <input type="checkbox"/> | <input type="checkbox"/> | Specimens are clearly labelled according to the props and equipment list; labels are securely positioned on the pots. |
| <input type="checkbox"/> | <input type="checkbox"/> | The specimens show the required body parts specified in the scenario. |
| <input type="checkbox"/> | <input type="checkbox"/> | The specimens are clearly identifiable and are of appropriate quality. |
| <input type="checkbox"/> | <input type="checkbox"/> | All additional equipment listed in the scenario is available in the room in appropriate quantities. |
| <input type="checkbox"/> | <input type="checkbox"/> | The data on any biochemistry/blood gas/urine output etc. tables are appropriate to the scenario. Please check all values thoroughly. |
| <input type="checkbox"/> | <input type="checkbox"/> | Stationery and furniture are available for examiners and candidates as needed. |
| <input type="checkbox"/> | <input type="checkbox"/> | For unmanned stations, candidate answer sheets are present and correct. |
| <input type="checkbox"/> | <input type="checkbox"/> | Examiner mark sheets are the right ones for the station. |
| <input type="checkbox"/> | <input type="checkbox"/> | The maximum mark available in the scenario documentation adds up to the correct amount. |
| <input type="checkbox"/> | <input type="checkbox"/> | Where there is a preparation station the necessary equipment and props are also in that station. |
| <input type="checkbox"/> | <input type="checkbox"/> | Instructions outside the station match those inside the station. |

Should you identify any problems, please alert a member of staff immediately.

Your help is greatly appreciated.
