

Camera Lighting Guide for Exam Takers

✓ **Do** ✓

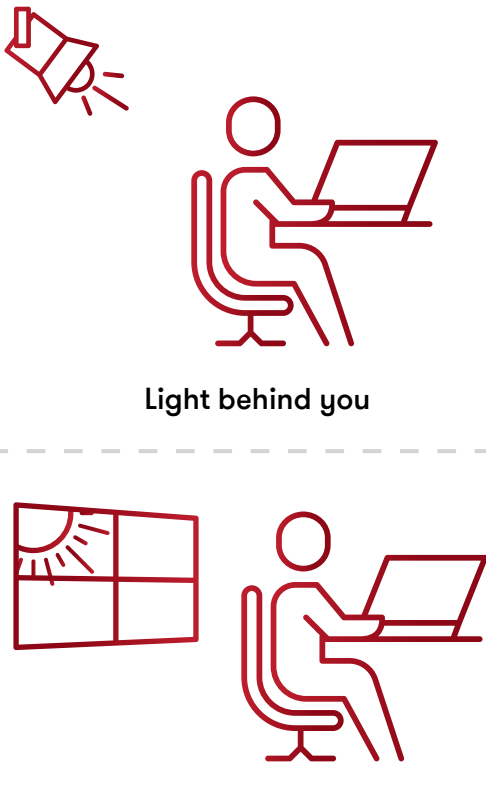

Light in front of you

Window in front of you

The 'Do' section is enclosed in a green border with green checkmarks at the corners. It contains two green line-art diagrams. The first diagram shows a person sitting at a desk with a laptop, and a light source (represented by a sun and rays) is positioned to the right and slightly behind the person, illuminating their face. The second diagram shows a person sitting at a desk with a laptop, and a window with a sun icon is positioned to the right of the person, directly in front of them.

✗ **Don't** ✗

Light behind you

Window behind you

The 'Don't' section is enclosed in a red border with red 'X' marks at the corners. It contains two red line-art diagrams. The first diagram shows a person sitting at a desk with a laptop, and a light source (represented by a sun and rays) is positioned to the left and slightly behind the person, creating a silhouette effect. The second diagram shows a person sitting at a desk with a laptop, and a window with a sun icon is positioned to the left of the person, directly behind them.
